INTRODUCTION

Join us in the following pages on a journey through some of our most remarkable projects in North and Central America, and the Caribbean. From breathtaking islands landscapes to bespoke creations and historic restorations in New York, this collection offers just a glimpse into the artistry and expertise we've honed over more than 40 years. Discover what we're capable of and see the enduring legacy of CAOBA in every detail.

PINON RANCH

Project Year 2014 – Company: Field Architecture
Location: Portola Valley, California

EXTERIOR

INTERIOR

THE MEADOWWOOD SPA

Project Year 2018 – Company: Eberlin Construction
Location: 900 Meadowood Lane St. Helena, CA 94574

Their masterful work on wooden elements such as windows, sliding doors, swing doors, paneling, and a wide array of other fixtures has transformed this place into a sanctuary of relaxation and well-being

WINDOWS

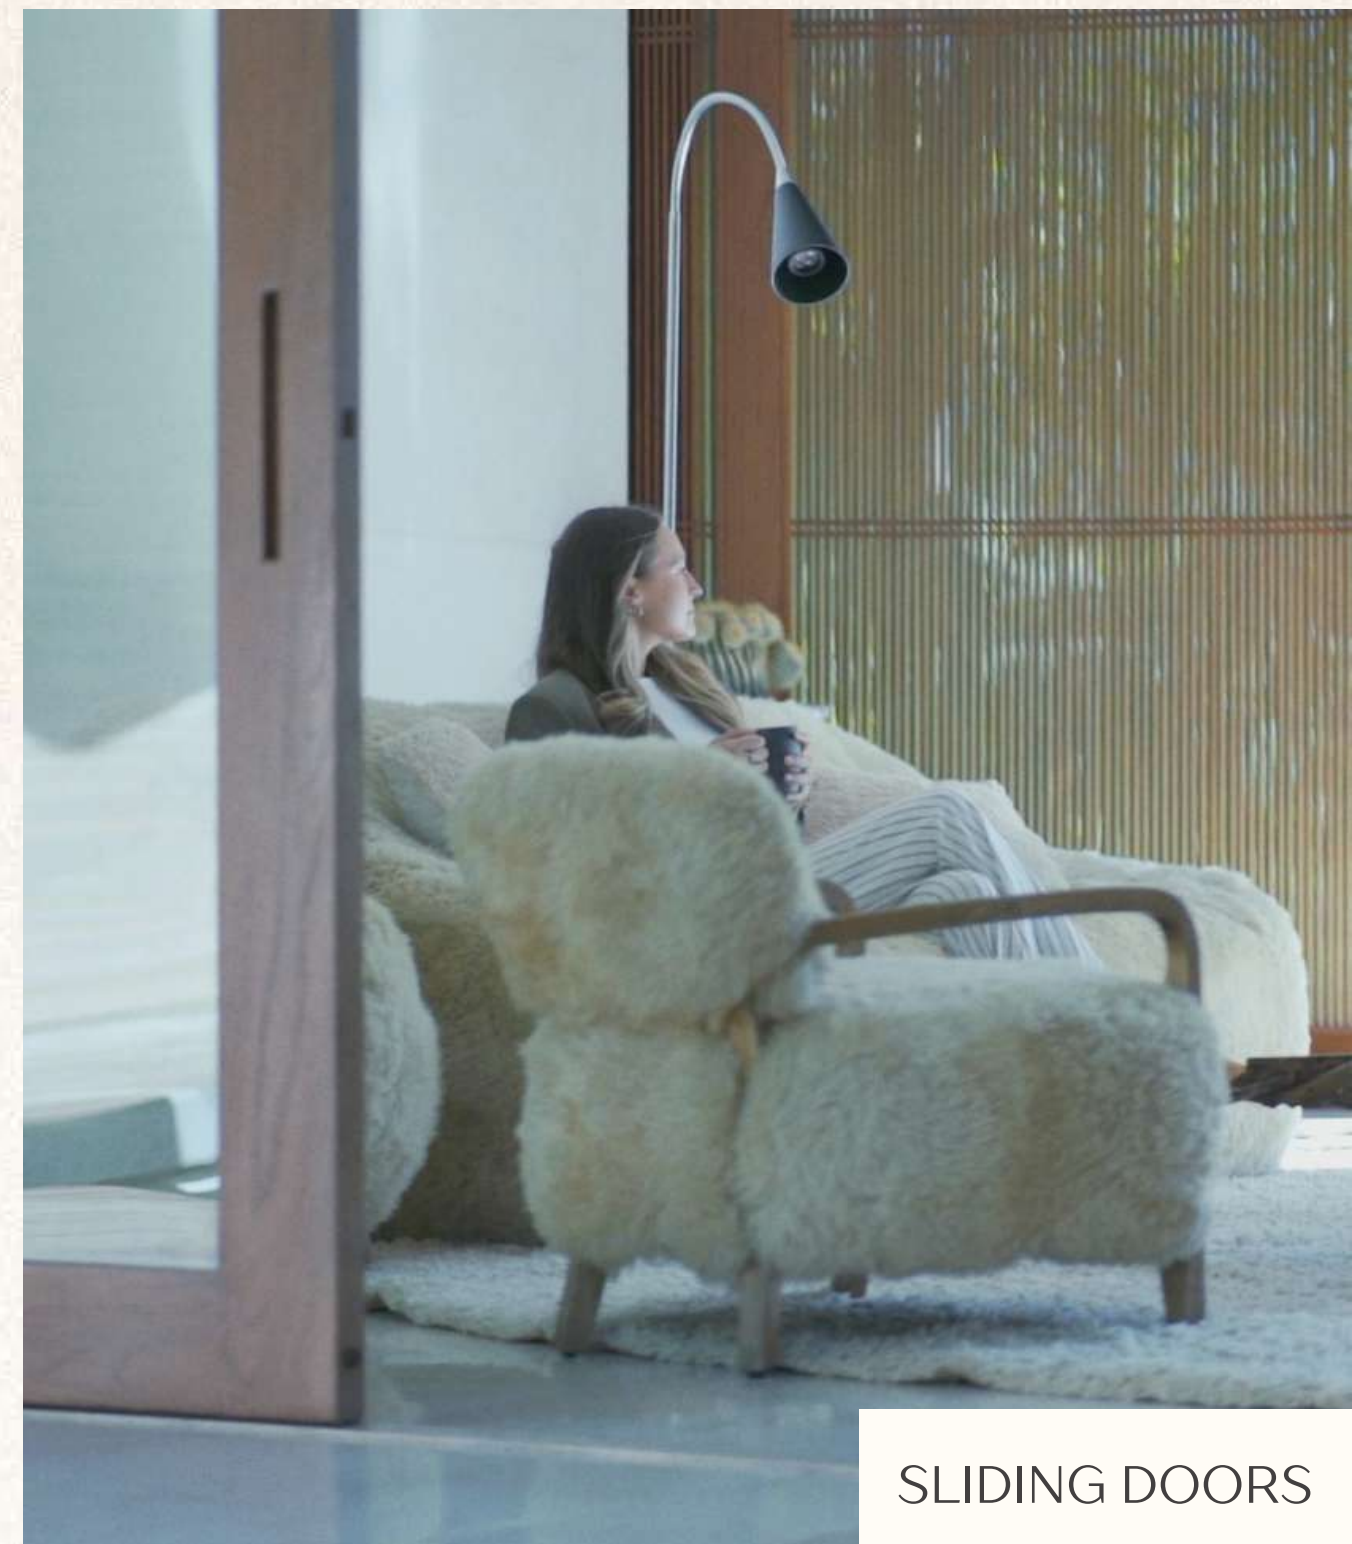

MILLWORK

CURVED PIVOT
DOORS

CASA Q'ANIL

CAOBA's masterful work extends to the intricate millwork throughout the house, like a modern wooden tub cover, and custom beds, creating a natural and modern atmosphere that feels simultaneously timeless and contemporary.

SLIDING DOORS

Project Year 2019 – Architect: Juan Pablo Barrios
Location: El Hato, Antigua Guatemala

HOKULIA CLUB

Project Year 2016 – Company: Tinguely Development
Location: Hokuli'a Kealakekua, Hawaii

We crafted luxury wooden windows, doors,
and millwork that graces the magnificent
clubhouse and spa.

KAHUA KUILI

Project Year 2014

Company: Walker Warner
Architects

Location: Hawaii

Distinguished designer Marion Philpotts breathes a modern spirit into the interiors, weaving in a contemporary vibe that dances with vibrant hues and retro accents, seamlessly syncing with the structure's modern theme

GATES

MILLWORK

SVARTE RESIDENCE

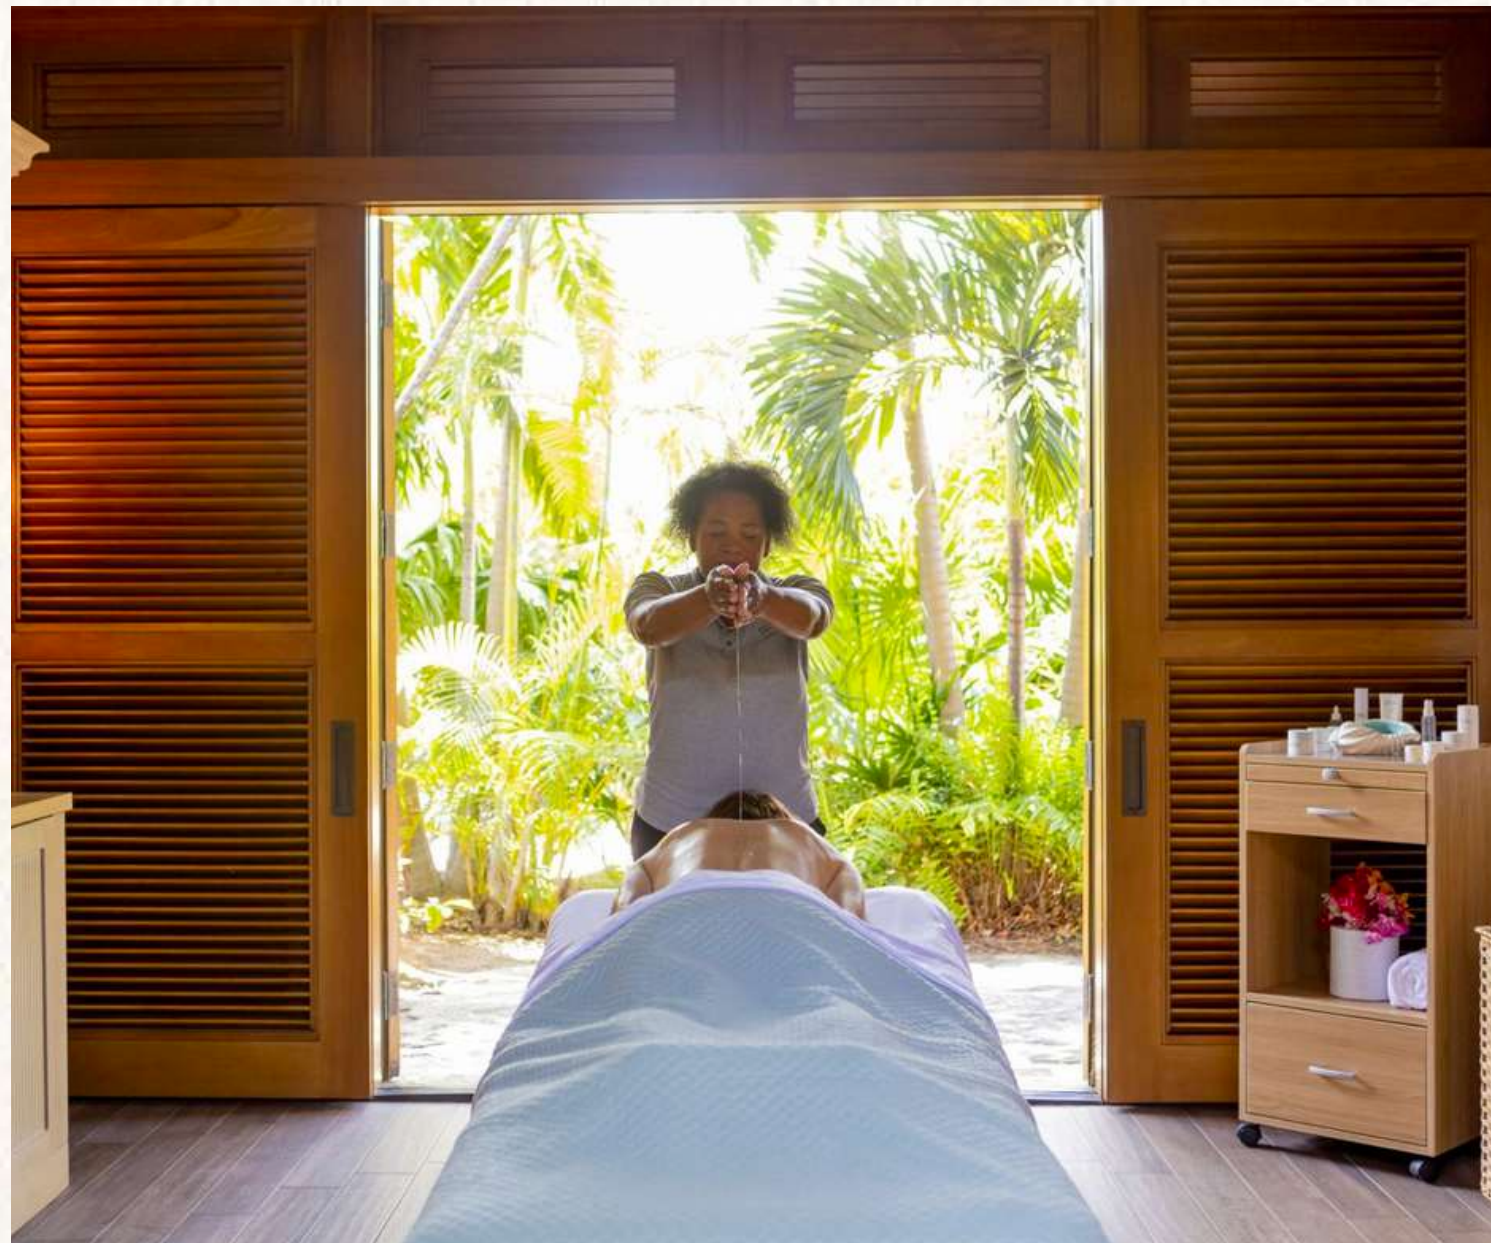

Project Year 2023 – Company: Storm Frame Windows & Doors
Location: New Providence, Bahamas

CAOBA played a pivotal role in the project, contributing impact-rated windows and doors that meet the highest safety standards. Engineered for resilience, these meticulously crafted elements not only enhance the aesthetic appeal of the beach home but also provide unparalleled protection against the unpredictable forces of nature.

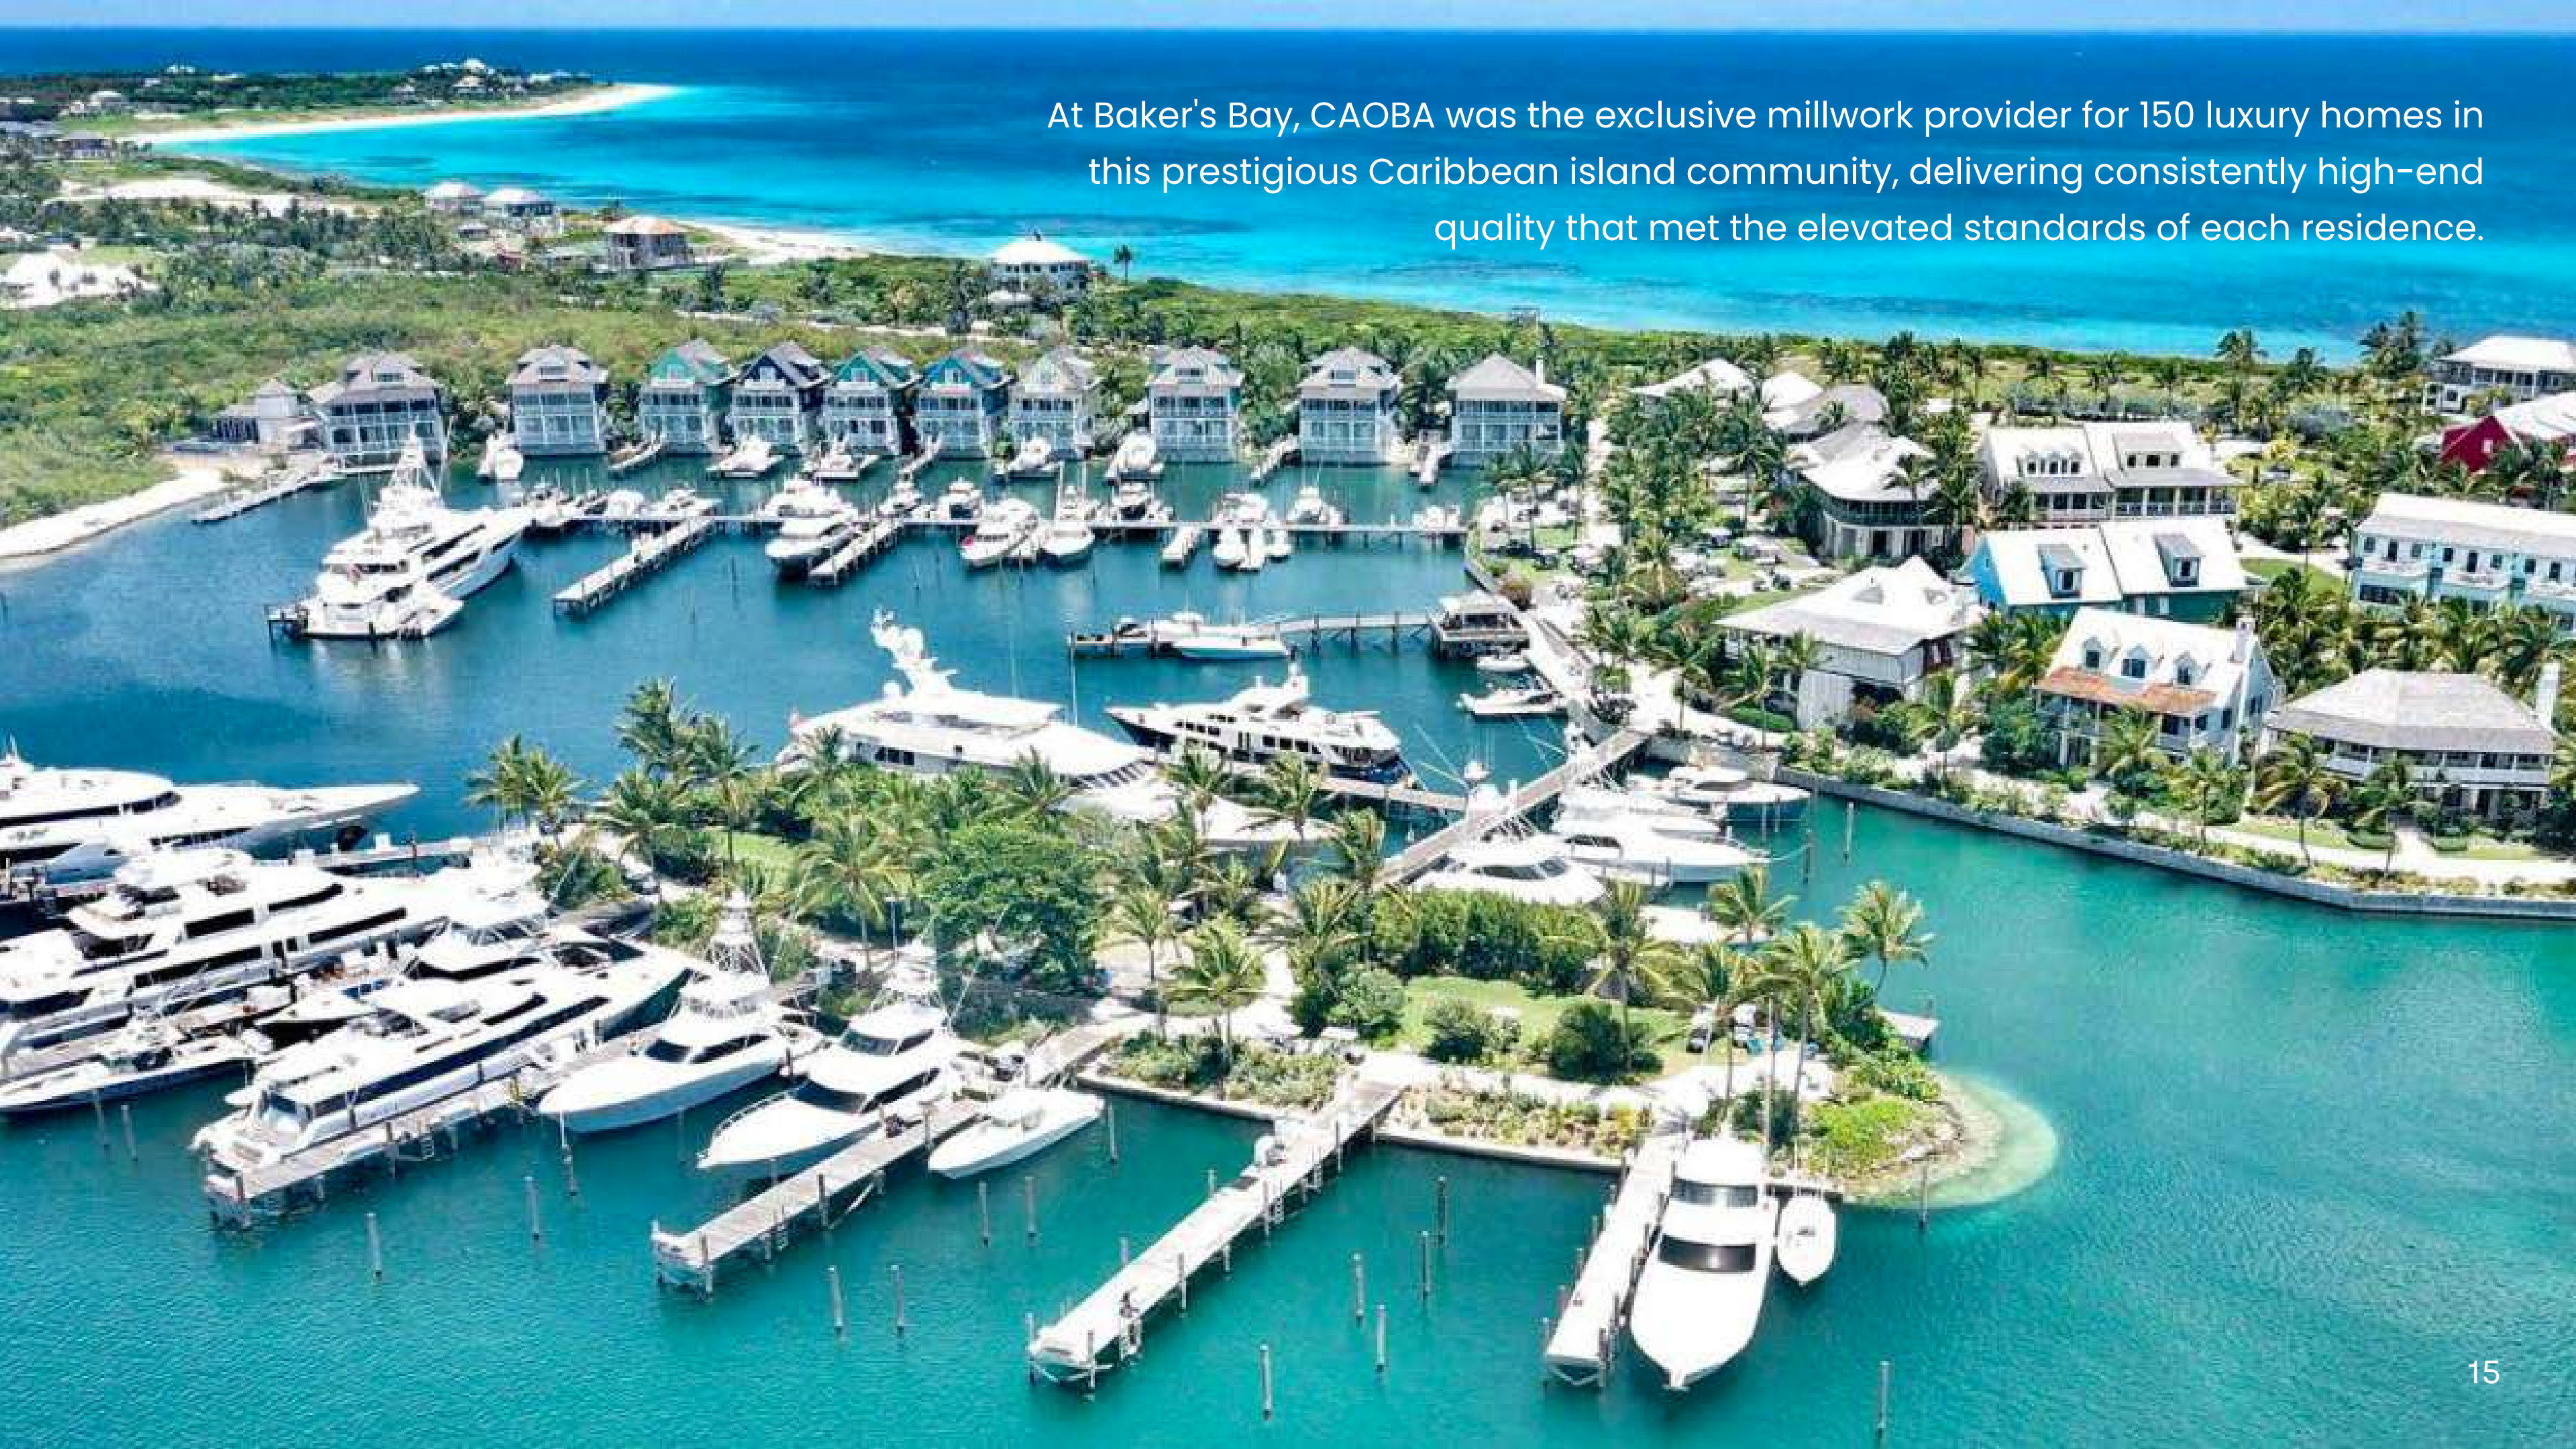

BAKER'S BAY

Project Year 2007 to Present – Company: Discovery Land
Company – Location: Great Guana Cay, Bahamas

SLIDING DOORS

At Baker's Bay, CAOBA was the exclusive millwork provider for 150 luxury homes in this prestigious Caribbean island community, delivering consistently high-end quality that met the elevated standards of each residence.

THE BEEKMAN

Project Year 2013 – Company: GFI Development Co.
Location: Manhattan, New York

4-8E 94TH STREET

Project Year 2011
Company: 4E 94STREET LLC
Location: Carnegie Hill,
New York

MIRAFLORES PROJECT

Welcome to a residence where
every detail is a work of art.
Discover the beauty of
handcrafted products that
transcend time and trends,
making a statement that
welcomes you with
warmth and style.

Designed by Tim Kelly of Peter Pennoyer Architects and built by Woolems Luxury Builders, Miraflores is a symphony of style, seamlessly integrating indoor and outdoor spaces with stunning fixed and direct set windows. CAOBA's push-out casement windows add sophistication, while the side lights doors and exterior doors serve as statements of grandeur.

In collaboration with CAOBA, this beach house is a living masterpiece that celebrates coastal living with precision, passion, and unrivaled artistry.

Builder/Architect: Peter Pennoyer
Architects + Woolems Luxury Builders
Project Name: Miraflores
Location: Palm Beach, Florida
