

Warranty Policy

At CAOBA, we prioritize building the highest-quality products by using only the finest materials from trusted suppliers and employing the latest manufacturing techniques. Our commitment to excellence ensures that every window, door, and millwork piece meets the highest standards.

We back our products with strong warranties to give you peace of mind. All window, door, and millwork products come with a 2-year warranty on stain and opaque finishes, which can be extended to 5 years with proper maintenance. For exterior doors, windows, and millwork, we offer a 5-year warranty on paint finishes.

Our Aluminum Clad and Clad finish products are guaranteed for 10 years, protecting against adhesion loss, chalking, or significant UV discoloration caused by natural weather conditions.

At CAOBA, we meet the Q3 ASTM quality glass standards. Clear insulating glass is covered by a 10-year warranty against seal failure that causes visible obstruction. Laminated SGP glass also has a 10-year warranty for delamination, while laminated PVB glass is protected for 5 years.

With proper care and maintenance, CAOBA windows, doors, and millwork will not only meet but exceed industry standards, providing durability and beauty that can last a lifetime.
